

A Stone Of Balance, Grounding and Manifestation!

Cassiterite helps to bring Divine light into your body from the source of all that is. This is a powerful stone to use in meditation to aid shamanic journeying.

It may help you to release energetic debris that is holding back your life's journey, and it is a helpful stone to aid spiritual grounding.

This crystal has a strong spiritual grounding energy, and has an interesting mix of balancing your energy and energizing you depending on what you may need.

It can be very helpful for anyone who has deeply long held childhood issues of rejection that they have not dealt with. It has an excellent influence on the intellect, and has a useful effect to aid intellectual problem solving, especially in the field of mathematics.

Where Does It Come From ... Cassiterite Meaning

This stone is a type of tin oxide, and the most common colors found are black, brown and red-brown stones. It can also be colorless, white, yellow-grey, yellow and red.

This crystal is also known as tinstone, and the meaning of the name Cassiterite comes from the Greek word meaning 'tin'.

It is found in the United Kingdom, China, Malaysia, Australia, Namibia, Brazil, Bolivia, Mexico and the United States, so it is quite widespread.

These crystals are reasonably common, but they don't look spectacular or attractive to the eye, as they are quite small and unassuming. Their configuration is prismatic or even pyramid shaped and this stone also occurs in the massive form.

Why Would You Use It

This is a crystal where you don't need a large piece of it to help you, as its common for even tiny crystals to have a fairly obvious vibration.

You should be able to feel the energy of Cassiterite quite easily, because it has a deep energy that makes a distinct [earth chakra connection](#) , yet with a quite obvious difference in the energy.

Cassiterite Stone

This stone is also said to give you protection physically from danger, while making a strong connection with what is called the deep source, and the doorway that links you to the other side.

This is the place where each of us passes at birth and death, the level of beginnings and endings, life and death. So you may imagine that its vibration is anything but ordinary.

These crystals are said to assist the dying, helping you to let go of all the issues that may be holding your spirit on the earth plane, to aid the soul to move from the body to the light.

How To Use It

The most powerful way to use it is in meditation, as it is a strong stone for making shamanic journeys.

It has excellent attributes as it keeps you grounded when in meditation, it is protective and also helps you to manifest your desires.

By using Cassiterite for meditation you will be enabled to let go of ideas and ideals that are no longer suitable for the way your life is now.

It helps you to heal old issues and to forgive anyone that may have caused you grief by imbuing you with deep compassion for others.

While some colors are said to have specific attributes, any colored stones will vibrate within all of the chakras from the solar plexus chakra down.

The darker stones are highly recommended for grounding as you'd expect.

The yellow stones are said to be best to stimulate the intellect, the red ones aid your energy and the white or colorless stones will [stimulate the crown chakra](#) .

All colors stimulate the solar plexus chakra, sacral chakra, base and earth chakra and the soul star chakra in the etheric above the head.

The energy of this crystal brings optimism. They may assist you to let go of feelings relating to any rejection you may have experienced in your life, and may help you to discover soul lessons about the issues.

How Will It Help You
